Information Published August 2026. Nimbus V uses TouchGlide® Technology. The weight limit for the recliner mechanism is 130kg (286.5lb). The weight limit for the footrest is 15kg (33lb). Maximum allowable subwoofer dimensions: Height 415mm (16.5"), Width 220mm (8.75"), Depth 640mm (25.25"). **IMPORTANT: SAFE USE INSTRUCTIONS:** Always fully retract the footrest before sitting down or getting up. Do not enter or exit the seat while reclined or by sliding over an open footrest. Only operate the reclining function while seated. Do not sit, stand or apply excessive pressure to an open footrest. Failure to follow these instructions may result in damage to the mechanism or cause the sofa to tip forward. The recliner includes a built-in safety tipping point designed to protect the mechanism under excessive load. Damage caused by improper use is not covered under warranty. King Living has a policy of continuous improvement; product specifications may change without prior notice. Images and drawings are representative only. Accessories not included unless stated.
